## AGRICULTURE & NATURAL RESOURCES NEWSLETTER

OCT-NOV  
2018

### OCTOBER EVENTS

MON 1st	10:00 a.m.— 12:00 noon	KDA Rinse & Return	Pesticide containers cannot be recycled with regular household containers. This program allows for the proper recycling of pesticide containers. Bring containers to the Extension Service.
THU 18th	6:30 p.m.	JCCA Annual Meeting	JCCA Annual meeting at Egypt Baptist Church Fellowship Hall.
FRI 19th		Hay Samples Due	This will be the last day to get free hay samples done. Please call the Jackson County Extension Service to schedule hay sample collections before this date.
FRI 26th	6:00 p.m.	KY Hay Contest- Johnson Co	This year, the KY Hay Contest will be held in Johnson County. For more information please call the Jackson County Extension Service at (606) 287-7693.

### NOVEMBER EVENTS

SAT 3rd	2:00p.m.	WTA Bred Heifer and Herd Cow Sale	Please notify the Jackson County Extension Service if you would like to sell bred heifers or cows in this sale. Health checks on heifers for this sale must have been completed by May 15. No requirements for cows.
OCT 30— NOV 15		North American Livestock Show	This event will be held at the Kentucky Expo Center in Louisville.

### 2019 SPRING HEIFER SALE

Please notify me this month if you are interested in selling heifers in the 2019 Spring Open Heifer Sale, that way we can schedule health checks for early spring. Health requirements are:

All heifers tested PI negative

- Heifers are weighed and pelvic measured to MARC standards.
- Heifer reproductive tract score of 4 or 5 and pelvic measurements must be at least 160 sq. cm.
- Heifers are vaccinated for protection against IBR, PI3, BVD, BRSV, Vibriosis, Leptospirosis and boosted.
- Heifers are dewormed and treated for external parasites.
- All cattle exceed minimum weight requirement of 700 lbs.

Thank You,

**David Coffey**  
Extension Agent for Agriculture  
and Natural Resources— Jackson County
